The banner is a vertical rectangle with a black border and a white background. It is decorated with a red horizontal bar at the top and bottom, both featuring a dotted pattern of black dots. The text is centered and uses a mix of bold and regular fonts.

## Middle School Summer Enrichment Program

Once again this summer, the Swartz Creek Community Schools will be offering a Summer Enrichment Program for students in grades 6-8 who are in need of assistance or enrichment in the areas of reading, writing and math. Students in this program will also be introduced to the book by Sean Covey, "7 Habits of Highly Effective Teens." Students will spend time each day discussing strategies covered in the book on how to become more responsible, develop good habits, work with others effectively, become more organized and prioritize what's important. Students who are entering the ninth grade and want to begin their high school career on a positive note are welcomed!

### Program Details

The program is scheduled to run from Monday, August 2- Friday, August 13 from 8am—11 am each day. The program will be held in the middle school media center and students enrolled are expected to attend each day.

The fee for enrollment is \$60. We encourage parents who are interested in enrolling their son or daughter in the program to complete the attached form on the back page of this brochure and return it to the middle school office prior to the last day of school. Parents can enroll students in the program over the summer, however, enrollment forms and payments must be made to Mr. Vanderlip, Director of Secondary Instruction at Central Office.

#### Pre-Registration Discount

**Register for the Summer Enrichment Program before June 17 and receive a \$10 fee reduction.**

Students who are eligible for free or reduced lunch during the school year will be eligible for reduced summer rates. Those eligible for reduced rates should contact Mr. Michael Vanderlip, Director of Secondary Instruction at Central Office at (810) 591-2388.

\*No refunds will be provided for students enrolled, but not attending.
